EDITORIAL PROFILE

The *Marine Corps Gazette* has been the professional journal for U. S. Marines since 1916. It is primarily written by and for Marines covering all aspects of Marine Corps activity with the mission “to provide a forum for the exchange of ideas that will advance knowledge, interest and esprit in the Marine Corps.” Every edition now has a Marine air-ground task force (MAGTF) focus. There is something in every issue of the *Gazette* for the readers no matter what element of the MAGTF they are in, whether they are active, Reserve, retired, or a former member of the Corps.
