Marine Corps Association Dinner — featuring Secretary of Defense, Dr. Robert M. Gates

The Marine Corps Association Dinner will be an annual event conducted in the greater Washington D. C. metropolitan area. An opportunity for camaraderie, the event is open to the public and stresses wide inclusion and recognition of MCA sponsors, supporters and friends. Professional Military Education (PME) with a thematic focus on the most significant of events affecting the Marine Corps and our national security forms the central focus of the dinner. The MCA Dinner will serve as the “High Watermark” dinner event for the Association’s professional program year.
