OUR MISSION

We believe that every Marine is a leader. The Marine Corps Association Foundation helps develop leaders by providing forums for professional education, exchanging ideas and preserving the traditions of the Corps. We stand by Marines with valuable resources through every step of their Marine Corps journey. This is possible through donations and the membership dues of Marines, their families and friends of the Corps — people like you.

MARINE EXCELLENCE AWARDS PROGRAM
MCA&F provides awards to recognize exceptional performance across the Corps including nearly 10,000 awards at professional schools and within occupational fields. From boot camp honor graduates to Marine of the Year awards, MCA&F honors outstanding Marines of all ranks.

MARINE WRITING PROGRAM
This program encourages open discussion and critical dialogue on topics important to the Corps. MCA&F sponsors 30 writing contests annually totaling almost $50,000 in prizes. Participants’ entries may be published in the Marine Corps Gazette or Leatherneck and read by thousands of Marines, even the commandant himself.

COMMANDERS’ UNIT LIBRARY PROGRAM
MCA&F provides units throughout the Corps with the resources to establish professional libraries for their Marines. The libraries include books from the Commandant’s Professional Reading List so Marines do not have to spend their own money on required reading. We also provide e-readers with the entire Commandant’s Professional Reading List to forward-deployed units.

COMMANDERS’ FORUM PROGRAM
MCA&F provides resources for battlefield studies and guest speakers so commanders can teach, coach and mentor their Marines as tactical decision makers. Today’s Marines walk in the footsteps of history’s combat leaders in major battles worldwide and gain knowledge unobtainable in the classroom.
