

Rebecca Fulcher, PsyD

Rebecca Fulcher, PsyD is a licensed clinical psychologist who has worked in the Behavioral Health Department at Naval Health Clinic Quantico for almost 15 years. She provides individual therapy for active-duty service members with a focus on utilizing evidence-based treatments to address symptoms primarily related to anxiety, depression, and trauma-based disorders. Additionally, for the past four years she has helped create and co-facilitate the Behavioral Health Department's monthly CBT Skills and Inner Critic Workshops.
